COMPATIBILITY FOR CLIMATE CONDITIONS OF THE HOUSES

Each unit will be manufactured based on the yearly weather and temperature conditions of the region. It will be equipped with necessary weather isolation system that will provide daily comfortable living.

LANDSCAPE

To ensure peaceful and comfortable living condition for the families, Landscaping will be provided within DEİK Town.

CONTRIBUTIONS FOR DEİK TOWN

Contributions and aid for DEİK Town can only be provided on the condition of covering the costs for one or more container house(s).

(Contact person: Mr. Göksel Hürol, ghurol@deik.org.tr)

COMPLIANCE OF DEİK TOWN WITH THE AFAD PROJECTS

DEİK Yaşam Kenti is approved by AFAD and the containers are decided based on the AFAD standards.

THE LAND/LOCATION OF DEİK TOWN

The land/location of DEİK Town is determined by the State Authorities and the project will be established under the supervision of the Ministry of Interior Affairs of the Republic of Türkiye on the land provided by AFAD.

COOPERATION WITH THE LOCAL AUTHORITIES IN THE AREA

DEİK cooperates with the local authorities for the needs and requirements.

REUSING THE CONTAINER HOUSES FOR FUTURE PURPOSES

Once DEİK Town residents are relocated to their permanent homes, the container houses will be handed over to AFAD to be used in humanitarian aids and missions in the future

BRANDING IN DEİK TOWN

The facility buildings such as playgrounds, recreational areas, prayer houses as well as individual container houses and streets will be named after of the contributors and benefactors of DEİK Town For large scale contributions (50/100 or more containers), please contact with the Director for Membership and Corporate Affairs.
