

# REGIONAL ARBITRATION CONFERENCE

## New ICC Expedited Procedure Rules for Small Claims and Regional Challenges

23 MAY 2017 | ZAGREB, CROATIA

INVITATION

This regional conference, organized by ICC Croatia and the Croatian Chamber of Economy in partnership with the ICC International Court of Arbitration, is the launch event of the ICC Revised Arbitration Rules taking into account regional challenges. It is a “must attend” for ICC Arbitration users and professionals who want to keep up to date on the latest developments of arbitration in the Adria Region.

The ultimate goal of the latest revision of the ICC Arbitration rules is to further increase the efficiency, transparency and ethics of ICC arbitrations providing for a streamlined arbitration with reduced scales of fees.

Effective as of 1 March 2017, the revised rules provide that expedited procedure rules automatically apply to all arbitrations with amounts in dispute below US\$2 million. Other changes comprise the possibility for any party to be in a position to ask the ICC Court to provide reasons for its decisions, such as decisions on challenges of arbitrators (without need to seek consent of all of the parties, as required under the previous Rules), *prima facie* jurisdictional decisions and consolidations.

### Other topics will include:

- Regional challenges to arbitration
- Post-M&A disputes
- Arbitration & Insolvency
