

ICC-FIDIC Conference

International construction contracts and dispute resolution

**14-15 October 2022
Dubrovnik**

ICC and the International Federation of Consulting Engineers (FIDIC) will hold their annual ICC-FIDIC Conference in Dubrovnik, Croatia.

The event, which gathers the world's leading construction practitioners, aims to provide participants with an update of the latest industry trends and developments, deliver real-world insight and specialist knowledge, as well as offer an exclusive networking platform for the international construction community.

ICC International Court of Arbitration

The International Court of Arbitration is the world's leading arbitral institution. Since 1923, we have administered over 26.000 cases and helped resolve difficulties in international commercial and business disputes to support trade and investment.

With case management teams located in Abu Dhabi, Hong Kong, New York, São Paulo and Singapore and provides parties with a flexible and neutral setting for dispute resolution. The ICC Court supervises the arbitral process from beginning to end, offering confidentiality and unrivalled flexibility for parties to choose the framework for how and where they want to resolve their dispute. Disputes are resolved by independent arbitrators, ensuring quality of process and enforceability of awards. www.iccwbo.org/arbitration

FIDIC

FIDIC is the French acronym for the International Federation of Consulting Engineers. It was founded in 1913 to promote the professional interests of member associations and to disseminate information of interest to members of its constituent national associations. FIDIC membership represents over one million engineering professionals and 40,000 firms in more than 100 countries worldwide.

ICC Croatia

ICC Croatia, the National Committee of the International Chamber of Commerce in Croatia, established in 2003, operates within the Croatian Chamber of Economy with the aim of representing the interests of the Croatian business community internationally. ICC Croatia with 160 representatives and prominent experts from various sectors of the economy, participates in the work of all 12 expert commissions of the ICC. The National Committee also conveys the views of the ICC on important issues of international trade to the Government of the Republic of Croatia and reports back to the ICC on national positions in matters of foreign trade.
